## Cereal killer.

**When things get busy, the most important meal of the day often gets the least attention. That's why we've developed Cluster Cups® breakfast-to-go.**

- Wholegrains
- Low GI
- High fibre
- With or without milk
- Non GMO

Our irresistibly crunchy bite-sized clusters combine wholegrains with tasty extras like nuts, fruit pieces and choc chips.

### It's a fresh new take on cereal!

Enjoy them straight from the cup without a spoon, or splash in some milk - it's up to you! Nutritious, delicious and incredibly convenient, there are **six exciting flavours** to enjoy anywhere, anytime and anyhow you like. Available at leading supermarkets.

PROUDLY AUSTRALIAN MADE AND OWNED No artificial flavours, preservatives or genetically modified ingredients (GMO)

# What the cup?

**Enjoy anywhere, anytime, anyhow**

If there's something we all want more of, it's time. That's why we developed Cluster Cups®, a fast, nutritious and super-easy snack for people on the move.

Whether it's a few extra morning laps, a head-start on the working day or an extra crack at the snooze button, Cluster Cups® help you get more of what you want.
